READING

[10]

The single most important factor that distinguishes those of us who succeded in any venture from those of us who don't is this 'instant coffee' attitude. Most of us want results quickly. We want to reach top quickly. We want to reach the top immediately and get worked up when things go wrong. Perseverance and patience are forgotten words. We get upset, frustrated and angry when a skill or activity requires us to put in a lot of effort and time. We get dejected and want to give it up. Things should be easy. Why should things take long? It is unfair.

Life is too short and there is not enough time to do all the things we want to. We tend to compare with others and get upset when they seem to be doing well – dismissing their achievement as pure luck- or think that they have support, help, and approach.....that God is being too kind to them and not to us. And so we give up.

But such thinking serves no purpose. For it doesn't solve the problem. Life is tough for those with the 'instant coffee' attitude. Success , real success come to those who have a 'bread making ' attitude. Those who are willing to knead the dough, wait for hours for it to rise only to punch it down and knead some more, wait for another couple of hours for it to rise again, then bake it before ready to be eaten. Nothing is instatenous. For every endeavor – when in the area of career, academics,music, sports, relationships, physical fitness or even in spirituality---- It is long arduous journey. On the basis of reading of the paragraph answer the following questions briefly: 2*4=8

- 1. What is the 'instant coffee attitude?
- 2. When we are asked to put in a lot of effort and time we.....
- 3. How is life with those who follow 'instant coffee attitude?
- 4. Nothing is instaneous and every endeavor is------Find the word in the passage that means the following: 1*2=2
 - (a) That happens at once.
 - (b) Effort.

Max.Marks - 40

अधिकतम अंक: 80

समय: 3 घंटे सामान्य निर्देश:

(i) इस प्रश्न पत्र में चार खंड हैं- क, ख, ग और घ।

a the Way have

- (ii) चारों खंडों के प्रश्नों के उत्तर देना अनिवार्य है।
- (iii) यथासंभव प्रत्येक खंड के प्रश्नों के उत्तर क्रमशः दीजिए।

खंड-क (अपठित बोध)

प्रश्न 1. निम्नलिखित गद्यांश को ध्यानपूर्वक पढ़कर दिए गए प्रश्नों के उत्तर लिखिए:

कामना में हमारी ऊर्जा निहित होती है। ऊर्जा को दबाया नहीं जा सकता। यदि उसे दबा दिया जाए तो वह किसी अन्य अवांछित मार्ग से विकृत रूप से बाहर निकलेगी। यदि लोभ का बुखार चढ़ा हुआ है तो दमन से कुछ नहीं होगा। हमें उस लोभ को समझना होगा, उसे अनुशासित करना होगा, उसका रूपांतरण करना होगा। शांति पाने का यह तरीका कदापि नहीं हो सकता कि आप क्रोध से झगड़ने लगो। शांति पाने का तरीका है यह कि आप क्रोध की जड़ तक पहुँचो। शांति तो अशांति को समझ कर ही मिल सकती है।

दमन से हमें बचना है। कामना का दमन एक बड़ी भूल है, विनाशकारी है। दमन कोई उपलब्धि या प्राप्ति नहीं है। दमन हमें खंडित करता है। हम हिस्सों में बँट जाते हैं। शरीर, मन, हृदय, आत्मा सब हमारा ही है। सोचिए जरा! कौन किसको दबा रहा है?

दमन में निंदा है— हमारा एक हिस्सा निंदा कर रहा है, दूसरा हिस्सा निंदित हो रहा है। जो निन्दा कर रहा है, वह भी हम हैं और जो निंदित हो रहा है, वह भी। अपनी निंदा करके तो हम अपने बनाने वाले की ही निंदा करते हैं। दमन में विनाश है, लड़ने वाले दोनों हिस्से हमारे ही हैं। इनके संघर्ष में हमारी सकारात्मक ऊर्जा का भी नाश हो रहा है, अतः हम दमन से अपनी ऊर्जा व्यर्थ न करें।

- (क) ऊर्जा कहाँ निहित होती है? उसे क्यों दबाया नहीं जा सकता?
- (ख) शांति पाने का सर्वाधिक उचित तरीका क्या है तथा क्यों?
- (ग) दमन से हमें क्यों बचना चाहिए? स्पष्ट कीजिए।
