EDITORIAL DESK

I extend my warm gratitude to all my readers.

It gives me immense pleasure to introduce the 1st trimonthly newsletter. I welcome all the students for new academic session I expect all the students to come for the new session with lot of energy, vigour and a vision to make teaching learning process quite interesting and soothing, but there may be few who have problems and grudges but all such obstacles can be removed by proper and goal oriented education. It is rightly said “Education is a weapon through which all the battle of the world can be triumphed”. Education takes us from the path of darkness to the path of light. People now a days have become materialistic and in the quest of making money and leading a luxurious life parents have been taking education as a secondary goal to achieve, but education has remained a primary motive and it will remain forever. As we Atmiyanns greatly known for producing excellent result, every year in class 10th and this year also we have proved that producing remarkable result does not remain an accident but it has become our habit. As this is year also 19% of our students got 10 CGPA out of total number of the students appeared for class 10th exam. In this way once again we are the best as far as percentage of students getting 10 CGPA is concerned. The management, Principal, educational advisor and last but not the least our hardworking and dedicated teachers want to congratulate all the students and parents on this grand success.

As we all know, a magazine mirrors a school’s aims and objectives. It also highlights events, activities and achievements of students. I do hope the magazine encourages many more students to use it as a platform to express their creativity.

Once again, we express gratitude to the Management, Trustees, the Principal, Vice- principal, Educational advisor and last but not the least, our ever supporting colleagues.

ACTIVITY CORNER

Art Exhibition Held on 18-04-16

If art is an expression of life, the exhibition of paintings and sculptures on April 18, 2016 at Lions Club gave plenty of curious insights into the minds and lives of students of Atmiya Vidyapeeth. The show was organized by Strokes Group by Mr. Sudhir M and Mr. Shirish M.

Every child is an artist and to give more insights about art and its creativity, visual art students of STD IX & X of Atmiya Vidyapeeth had visited this art exhibition along with our art teacher Mr. Dhiren Thanki who was accompanied by Ms. Aditi Gupta.

Students got the opportunity to develop designs by learning design elements, principles and art theories and the concepts of basic art education practices. By improving the standard of their drawing techniques and their methods of observation they will be able to express their thoughts in a more effective way. Students enjoyed a lot and had explored in the depth of knowledge of art and paintings.

Future lies before you!!!!!!

Great Convocation Ceremony for STD I held on 23rd April 2016.

Essay Writing Competition for VI to XII on 30-04-2016

With an attempt to explore and nourish the talents of the students, Atmiya Vidyapeeth had organized an Essay Writing Competition on 30th April 2016. The purpose of the Essay Writing Competition was to endow the students with thoughts and ideas to demonstrate their writing skills as well as to express

their outlook on current National issues. Atmiyans’ Initiative in Celebrating FATHER’S DAY.....

on 18-06-16

Father’s day is an annual observance celebrated on June 19 to show your love and affection for your father, and the father figures, in our lives.

Atmiya Vidyapeeth had organized a house activity on 18th June on the theme “Father’s Day” wherein four houses had presented SKIT in which the love and care towards father was depicted. Students of all four houses performed skit, dance and drama to highlight the importance of recognizing the important role that their fathers have in their lives by having them participate in these inspiring activities. All the students of different houses participated enthusiastically and the winning houses were Vikram Sarabhai House and Homi Bhabha House. The principal and our Educational advisor appreciated the students and teachers for their effort.

“On the Spot Drawing & Painting” & “Poster Making Competition” on 18-06-2016

To bring out the creativity and the artistic talents among school students, On the Spot Drawing & Painting Competition for primary section and Poster Making Competition for secondary and senior secondary section were organized in Atmiya Vidyapeeth on 18th June 2016.

Students from all the classes participated enthusiastically in the competition to exhibit their creative skills in various topics like ‘My Dream’, ‘My Family’, ‘Desertification & Drought’ and ‘Role of Youth in Building the Nation’

Students proved that they not only excel in academics, but also shine in exhibiting their skills by their creative presentation. It was a great opportunity to watch these young minds trying to create their ideas of a better environment on paper. Students participated in the activity with great zeal and enthusiasm. The best and creative drawing, proper expression of theme and proper usage of colours is being judged and being awarded accordingly.

**Inter House “GROUP DISCUSSION” Competition
on 30-06-2016**

On Thursday, 30th June 2016 an Inter House Group Discussion activity was organized with a message of enhancing the communication skills and leadership quality of students of Atmiya Vidyapeeth. The aim of group discussion competition event was to enhance the learning in both effective and cognitive domains. There were two groups each of class VI to VIII and other for class IX to XII. Total 48 numbers of students have participated. Each group was given 8 minutes for discussion and the few students were selected for the final round.

The Topics discussed in the event were “Does Social Media Kills Book Reading?”, “Role of Youth in Politics”, “Clean India- Is just a movement or has changed the attitude of people?”, “Are principles of Mahatma Gandhi valid in today’s era?”. On the spot topics were given to the final round participants and the students expressed their views and came up with spontaneous points.

The group discussion was livelier with the young brains battling with one another. The confidence shone and voices boomed in where the students expressed their views freely and without fear. Most of the participants were well-versed with the current issues and seemed to have done their homework well. They impressed the panel of judges with their gift of gab and understanding of various issues ranging from social and economic to world affairs. Intense debates in some groups were witnessed as each participant had to defend his turf, while in some other groups the participants reached tangible conclusions. It was an amalgamation of intelligence, alertness and patience. The Event was judged by our educational advisor Mrs. Tripti Nagar and our CCA In charge Mrs.Sreevidya Byju.

The winners for the event “Group Discussion” were:

ATMIYA KIDS CORNER

Colour Week

(25th April to 30th April 2016)

Taking inspiration from beautiful and colourful Nature, Atmiya Kids has celebrated “Colours Week” from 25th April to 30th April 2016 for the students of Pre-Nursery & Nursery with the aim of inculcating beauty of colours in kids. Each day of the week marked a colourful day. Each day a new colour was introduced. Students and teachers were dressed in red, green, blue, pink, white and yellow colours on six days.

Atmiya Kids used many interesting and novel ways to introduce the concept of colours to the little angels in different ways, so the innovative team left a long lasting impression of many colours, in the little minds by celebrating colourful days at a grand scale.

The children enjoyed the activity with immense enthusiasm. The little ones enjoyed their days to the fullest and learned about colours in their own ways.

Quiz Competition on

(25-06-2016)

Exuberating, motivating, enlightening and would describe the Quiz Competition of Atmiya Kids. The competition was aimed at engaging developing the knowledge and excellence base among the students through healthy and highly motivating meet. The students crammed themselves up with a lot of general knowledge for the quiz.

Tiny toddlers were divided into three team: red, green and blue where in questions were asked in three different rounds. In first round, teachers asked the general questions. Secondly there was a visual round where students were shown certain pictures and objects which they have to identify. Finally there was a buzzer round in which multiple choice questions were asked.

It was a great fun and experience to have such knowledgeable competition. And the wining team was Red Team

Rainy Day Celebration on

(07-07-2016)

The pre-primary section of Atmiya Kids celebrated its Rainy Day on 7th July 2016. The day was celebrated with great vigor and enthusiasm. Children were very excited about the idea of getting wet in the rain.

Teachers created awareness among the children about the day. The children were explained about the rainy season and how rain comes. The children had loads of fun in the artificial rain with their umbrellas and raincoats. The entire school came alive with the children's laughter and giggles while dancing in the rain.

Tiny toddlers danced to the tunes of the music. Rain Dance Activity was held to experience the real feeling of getting wet in the rain and dancing and singing and enjoying the moment to its core.

They went home with great excitement and memories of the day.

TEACHER'S CORNER

Should teachers be friendly with the students on social networking site?

Social media is taking over how people communicate, and almost everyone has a face book, Twitter or whatsapp account. However, there may be boundaries as to who can be connected to, like teachers and their students. Teachers should keep their relationship with students on a professional level. When teachers act at the same way as teenagers do, they should be treated like teenagers. Teachers have an obligation to act responsibly and professionally in the classroom. This is not to say that teachers should not be friendly; however, this does mean that teachers should not be friends. Although students and teachers can be friendly in real life, their roles do not permit them to be friends on the social networking sites.

Seema.A.Kingrani
(PRT)

As per my opinion, teachers and students should not be friendly on social media such as face book or whatsapp. Teachers are in a position of responsibility and need to keep up professional respect. Social media is about connecting friends. A teacher should not be friends with their pupils , even if they have a great relationship .They need to keep a professional distance from students to keep a level of professional that would otherwise disappear .A teacher needs to be a one who makes sure it is always a professional relationship .Some school officials are trying to find the middle ground .Recently , in New York City Department of Education developed guidelines that say teachers can create professional social media sites such as Face book pages created for a class or project , but should not communicate with students through their persona

Sukhwinder Kaur Simak
(PRT)

Social media, is the source of information, a computer mediated tool that allow people or companies to create, share or exchange information regarding various activities.

Dear readers / friends, in this internet era, we all are using frequently social media applications that are FB, Whatsapp, Line, G talk and Skype etc. As a teacher the question arises that is it safe for us to be friends with our students on social networks such as FB, Whatsapp etc?

In first look we can say that it is helpful as teachers can be a positive influence in young people's lives. Teachers are able to assist parents and establish better relationships with students and their family online. They can help students in their homework also.

But personally I feel it has a dark side also. Teachers and students should not be involved in personal life of each other. Teachers and students have different personas in the classroom and outside it, and the two should not be mixed.

Rather than be friends online on FB etc. appropriate relationship can be built by attending the office hours and emailing for class related advice.

In order to gain respect from a student, the relationship between both should be professional. Female teachers should be more careful towards this. As a teacher I suggest we can friendly with our students but should not be friends, on social networking sites. If it is require, then we should make some official group for the same, using personal security system.

STUDENTS' CORNER

Topic: MY FIRST GRADE TEACHER

Jagrat Verma of 2nd B says.....

Good teachers know how to bring out the best in students.

Sana Ma'am was my class teacher in my 1st standard. She was polite, beautiful and intelligent. She was very strict as well as very kind person. She taught us English. She explained every topic very well. She supported emotionally as I was new in the school. She is my favorite teacher.

Varsha Agarwal of Class 2nd C says....

My last year class teacher was Archna Ma'am, she is my favorite teacher.

She was strict but also very humble and caring by nature.

She tries different ways to teach us so that we can enjoy.

She taught us Hindi. She never made us feel that studies are the boring activities; rather she tried to teach with different creative activities. She was very punctual. We enjoyed her class very much.

Maitri B. Jeshwani of class 2nd C says...

Teachers are the real mentors in a student's life. They teach us not only subject, but also discipline and moral values. One such teacher is our English teacher.

My English teacher is the best teacher. She is very kind and strict. She teaches the lesson nicely and keeps test regularly.

She always sticks to her planning and no one in our class fails in her subject because of her effective teaching.

The grammar and vocabulary practice sessions conducted by her were so interesting. Because of her only, English has become my favorite subject. I learnt to speak in English. Our communication level has also increased.

A teacher is definitely the back bone for the student's achievement.

I am really thankful to my English teacher for the knowledge I have gained.

Vaishnavi ba Jadeja of Class 2nd B says....

My favorite teacher is Asha Ma'am. She teaches EVS which is my favorite subject. She is strict but very kind at the same time. We all stay quiet when she teaches us. She makes sure that we all understand the concept. At the end of the class she also asks us questions, to analyse if we have understood the concept. She is caring and lovely. She tries to shape us as good human beings.

I wish her all the best for her future.

Rachita Shah of Class 3rd A says....

My favorite teacher is Mrs. Sukhvinder Kaur. She has been teaching me English for last two years. She is from Punjab. She has very unique style of teaching. We have lots of fun while attending her class. She teaches through different games and creative activities. She is very humorous too.

Vanshika Kourani of class 3rd A says...

A teacher takes a hand, opened a mind and touches the heart.

There are many teachers in my school. But I cannot forget my First grade teacher. Her name was Sana Quereshi. She taught us English. Her voice was sweet. She was a lady of discipline. She was strict but cheerful also. She has good command over English. Her method of teaching was very good. All the students in the class liked her very much.

She guided us very well during any school or inter school competition of dance, sports etc. She taught us to share things in class, among our classmates.

At last I would like to say that she may be just a teacher, but to me she is my God.

Naisha Ramnani of standard 4th A says...

My first grade teacher was Sheena Ma'am. She was my favorite teacher. She used to teach us Maths.

She was very intelligent and knew well, how to draw attention of students towards studies. She uses creativity while teaching students so that students may concentrate. She had lots of patience and confidence. We all stay quiet when she taught. She made sure that we understood the concept.

She was very caring and loveing. She was a very kind person. She loved me very much.

I wish her all the best for her future.

Rutiya Dolare of 4th B says...

My first grade teacher was Archna Ma'am. She was very kind and sweet. She always had a smiling face.

She used to teach me Maths. Her way of teaching was excellent. She used to play with children and because of her we enjoyed our school days.

She used to appreciate children very well.

Her way of teaching used to make us feel very special.

I miss Archna ma'am. I will be always thankful to her for the values she taught me. I will carry it for my whole life.

Prerak Patadia of class 5th A Says...

The temporary substitute of mother for a child in a school is his/her teacher.

My favorite first grade teacher is Khusboo Ma'am. She was very friendly to all, and she was like a mother to all of us. She helped students and taught them how to read, write and to learn different things. Today when I am grown up, I miss her class very much. I will never forget her for what she taught us and how she took care of all of us.

Topic: HOW WOULD I SPENT MY SUMMER VACATION?

Anamika kumari of 6th A says ...

“The summer vacation had turned out once more. I was very happy as I forgot about the daily puzzle & routine of school. I was unsure about my plan of summer vacation & was behaving like drifter.

Ultimately, I thought to extract much from this summer vacation. I charted out my options to take up some types of exercise like running, walking joining dance classes etc. But I found that my inner soul is not satisfied. I thought to be honest myself & planned to make the best of my vacation time during this vacation.

This summer vacation was not spent entirely in seeking fun, but used as a part of learning to enhance my weakness of algebra. During day period, I finished all chapters of mathematics. It is unbelievable that I had become so strong in algebra after that summer vacation.

I had spent my summer vacation very nicely!!!

Debashish Roy of 7th A says...

Summer vacations are probably the happiest period in a student's life. Summer vacation generally commences from second week of May every year. The purpose of summer vacations is multiple. First is a relaxation. Second is to fight over the unbearable heat. The third purpose is to provide a change to a student to make up his deficiency in any particular subject.

I planned my program in such a manner as to obtain maximum benefits. I enjoyed summer vacation with my family. We went Kashmir, the heaven of India. We also went at shirdi sai at Nagpur, Mumbai.

I enjoyed alot in travelling to differnt places, eating variety of new foods.

Heena parihar of 6th B says...

I had gone to Somnath & Dwarka. Dwarka is a wonderful place. In that temple the guide guides us about how this temple was made. Somnath temple is full of gold. It is the most likable place. I enjoyed to see the idol of lord Shiva. People visit this temple to fulfill their wishes and pray Almighty to for give them for their mistakes.

Then we went to Rajkot, there we enjoyed in the fun world. It is a place of free rides only. Then we went to Mcdonnald puff & burgers. It was too tasty better than pizza. I enjoyed a lot in my summer vacation.

Anjali Sharma of 6th B says...

I love summer vacation. This is the best part of the year as this period is without studies and homework. I spent this summer vacation at my grandparent's house in Kerala. My three cousins came from Pune & we had a lovely time together. My Grandparents live in a huge old fashioned house with a red tiled roof. There is also a large garden with a huge jackfruit tree, a mango tree & many cocunut trees. We children had great time there.

Whenever it rained, we danced in garden. We plucked jasmine flowers & helped granny to make garlands. It was a great fun to play with granny's huge black cat. Throughout our stay granny served us delicious & healthy food of all sorts. Every evening grandfather took us for a walk to the nearby river. After few days the school will reopen but i will certainly visit my grandparents' house next summer.

Daksh barge of 7th A says...

Holidays are the routine affair in the passage of any school year. It is not all holidays long or short that we are able to enjoy. Coming after holidays while at other times a problem in the family makes it difficult for us to step out of the house. However, at times we have such a memorable time in the holidays that they leave a mark on minds.

There are long summer vacations of the year 2016. My mother planned the holidays at the home of my grandparents. At first, when the suggestion had come I was not too happy about the programme. I wondered what I would do in the company of my grandparents, & that also for two months. With a lot of grieving & objection I finally agreed on proposal.

Finally we reached at my grandparent's house in Mumbai. This feeling of boredom persisted for two days. At last I had a suprise of a pleasure on the third day when eight of my cousins also arrived. Now I know I will have a great fun with them.

The most impressive place was marine drive, a location which is just around the sea. At night with the lights simmering around the sea makes it look like a fairy land. I was regretting in the beginning but it was a memorable event. It was an experience of complete enjoyment.

Aastha Smriti Jha Of 7th B Says...

“I would like to spend my summer vacations with great fun & also by doing something interesting. In my summer vacation I would like to go to Goa for spending my vacations. There we will have lots of fun and we will visit each and every beach. I also want to spend my summer vacations by giving happiness & lots of joy to needy people. I would like to go to them and give as much joy and happiness to them by giving them clothes, food & lots of good memories. According to me in these two ways I would like to spend my vacations. Really it will give me satisfaction & I will be remembering these memories as my sweet memories of my life!”

Topic: SHOULD UNIFORMS BE MANDATORY FOR TEACHERS?

Muskan Verma of 10th A says...

Yes, it is mandatory because teaching is very dignified profession. It is not acceptable that the teachers can wear whatever they want. Teachers should be an appropriate role model for students and they should be the ideal person of each and every child.

Imagine that a class is sitting at their desks waiting for their class to begin when the teacher walks in wearing old sweat pants and a stained top....Would you think the students will listen to the class!!!! It is good for teachers to follow a dress code at school. If a teacher dresses like a student, then she or he will be treated as one among them. The teacher must wear a decent dress and must follow a uniform so that a positive atmosphere can be created.

Renu Yadav of IX A says...

Personality matters...

Teachers should have a dress code in schools and I'm sure that it will develop their personality and confidence. The children of today's generation want their teachers in smart and energetic look with proper stylish dress code. As teaching is a dignified profession, it is compulsory to follow a dignified dress code which will increase the value of the profession.

Ankush Chirimar of X A says...

Uniform is mandatory for teachers as it increases the confidence, dignity, and also the discipline of a school. There should be a mutual relationship between students and teachers in a school campus. Though dressing and costumes hardly matters, it affects the total discipline of a school. A well simple and sober dress code will definitely create a good academic atmosphere.

Amishi Badole of XII (Commerce) says...

It is good if teachers also start wearing uniforms. It shows the discipline of the school. The relation between students and teacher can also be developed through this. Another factor is that if teachers will wear uniform then there is a vast chance to increase unity among them and they will surely find the feeling of equality. So according to me teachers should have particular dress code.

“ यदि मैं तितली होती ”

यदि मैं तितली होती तो बहुत खूबसूरत होती। रंगीन पोशाक पहनकर खुद में गुमसुम बागों में फिरती रहती और हर एक फूलों को मैं चूमा करती और उसका रस पीती। फिरती रहती मैं नीले गगन में, न कोई मुझे रोकता, न कोई मुझे टोकता। करती रहती अपनी मनमानी पूरे दिन। न होती स्कूल की परेशानी, न होती होमवर्क की टेंशन। न होती मम्मी की रोक-टोक, करती रहती अपनी मनमानी। कभी चिड़ियों के साथ खेलना कभी फूलों के साथ, पूरा दिन यहाँ से वहाँ घूमती। एक सुन्दर से पेड़ पर अपना घर बनाती और तितली की रानी मैं बन जाती और सबका ख्याल रखती। सभी मानवों से कहती मत काटो इन पेड़-पौधों को, ये हमारे घर हैं। और उनसे कहती जियो और जीने दो।

यदि मैं तितली होता,
उड़ जाता दूर गगन में,
न होती पढ़ाई की चिंता,
न होती कोई टेंशन,
यदि मैं तितली होता ।

रंग बिरंगे पंख फैलाकर,
बैठता रंग-बिरंगे फूलों पर,
और डोलता पेड़ों की हरियाली पर,
यदि मैं तितली होता,
काश!!! मैं भी तितली होता।

“ यदि मैं तितली होता ”

यदि मैं तितली होता तो मैं बहुत खूबसूरत होता। मेरे रंग बिरंगे पंख होते। मैं इधर-उधर जा सकता। मेरी मर्जी चलती, मैं हमेशा घूमता रहता। मैं कभी फूलों पर बैठता, तो कभी इधर-उधर। मैं आसमान में उड़ता और वहां सी सभी नज़रों को देखता। यदि मैं तितली होता तो मुझे पढ़ाई नहीं करनी पड़ती और मैं हमेशा मजे करता। काश मैं तितली बन जाऊं और आसमान में उड़ता जाऊं।

“ यदि मैं तितली होता ”

अगर मैं तितली होता तो बहुत खूबसूरत होता। रंगीन कपड़ों से पोशाक बनानी नहीं पड़ती। ऊँचे गगन में उड़ता फिरता। कठिन पढ़ाई नहीं करनी पड़ती। बगीचों के खुशबूदार फूलों के बीच में रहता। एक सुन्दर पौधे पर अपना घर बना लेता। तितलियों का राजा बनता।

दूर देश से आई तितली,
कितने रंग रंगीले,
कभी वो बैठे फूलों पर,
कभी गगन को छूले,
पावन और कोमल कितने मन-मंदिर सा,
दिल करता है हम भी उनसा तितली बन कर जी लें।

अगर मैं तितली होती तो कहीं भी उड़ कर पहुँच जाती। रंगबिरंगे फूलों का रस पीती। अगर मैं तितली होती तो मेरे पंख रंग-बिरंगे होते और सब बच्चे मुझे देख कर खुश होते। मुझे बच्चों के साथ मस्ती करने में बड़ा मजा आता, बच्चे मेरे पीछे पीछे दौड़ते और मैं आगे-आगे उड़ती। अगर मैं तितली होती तो मुझे स्कूल भी नहीं जाना पड़ता और न ही जल्दी उठना पड़ता।

तितलियाँ कितनी खुशनसीब होती हैं। वे जहाँ चाहें उड़कर जा सकती हैं। काश! मैं भी उड़ सकती। काश! मैं भी एक तितली होती। अगर मैं तितली होती तो बहुत खूबसूरत होती। रंगीले कपड़ों से पोशाक बनानी नहीं पड़ती। मेरा शरीर लाल और पंख इंद्रधनुष के रंगो जैसा होता। आसमान में उड़ती फिरती। बगीचे के खूबसूरत और खुशबूदार फूलों के बीच रहती। फूलों का मीठा-मीठा रस पीती। सबसे सुन्दर पौधे पर अपना घर बसा लेती। जीव-जंतुओं से दूर रहती। मैं सब दिशाओं में खुशी फैलाती। मानवों को बोलती की पेड़-पौधों को नष्ट ना करें। सच! यदि मैं तितली होती तो कितनी खुश नसीब होती।

अगर मैं तितली होती तो बहुत खुश रहती। मैं रंगबिरंगे फूलों पर मंडराती। जिस भी फूल पर मैं बैठती वह मेरी मेहमान नवाजी में मीठे-मीठे रस देते। मैं अपने मन से जब चाहती तब एक बगीचे से दूसरे बगीचे की सैर करती। अपनी तितली सहेलियों के साथ खूब खेलती और रात में फूलों की चादर ओढ़ कर नीले आसमान के नीचे सो जाती। काश! मैं तितली होती।

अगर मैं एक दिन के लिए प्रधानमंत्री होती

अगर मैं प्रधानमंत्री होती तो पूरे देश को एकजुट बाँध के रखती | सभी लोगों को सामान अधिकार देती | पूरे राष्ट्र में अमन चैन कायम रखती | कहीं कोई इर्ष्या, jeen न होता न झगड़े होते, सभी मिलजुल कर रहते “ मैं अनेकता में एकता ” बनाये रखती |

अगर मैं प्रधानमंत्री होती तो दूसरा मेरा प्रमुखकार्य होता बेरोजगारों को रोजगार दिलाना |

हमारे देश में सभी नवयुवकों को रोजगार होता, कोई भी रोजगार की खोज में गाँवों से पलायन नहीं करता। हर जगह सभी लोग अमन चैन से रहते। काश में प्रधानमंत्री होती तो रिश्वत लेने वालों को मुँह की खानी पड़ती, क्योंकि रिश्वत से सभी कामों में बाधाएँ उत्पन्न होती हैं। गांववालों को, तथा शहर के लोगों को सामान अधिकार दिलवाती। यदि मैं कभी भी प्रधानमंत्री बनूँगी तो मैं हमारे देश को हर क्षेत्र में विश्व विजेता बनाऊँगी। यही मेरी कामना है।

आस्था स्मृति झा (७ब)

हमारा राष्ट्र एक संप्रभुता संपन्न गणराज्य है। यहाँ की जनता अपना नेता चुनने के लिए स्वतंत्र है। हमारा अपना संविधान है। संविधान के अनुसार राष्ट्र का सर्वोच्च नागरिक माननीय राष्ट्रपति से केवल प्रमुख विषयो पर ही विचार-विमर्श किया जाता है अथवा अनुमति ली जाती है। इस प्रकार देश के प्रधानमंत्री का पद सर्वाधिक महत्वपूर्ण पद हो जाता है। देश के विकाश संबंधी नीति-नियम तथा इसके संचालन के प्रमुख दायित्व एवं अधिकार प्रधानमंत्री के ही पास होते हैं। आज हमारे देश में धूसखोरी और रिश्वतखोरी दिनों-दिन बढ़ती चली जा रही है। यह कुप्रथा हमारे समस्त तंत्र को भीतर ही भीतर खोखला कर रही है। एक सामान्य निचले दर्जे के कर्मचारी से लेकर चोटी तक के शीर्षस्थ अधिकारी व नेता सभी भ्रष्टाचार में लिप्त हैं। यदि मैं एक दिन के लिए प्रधानमंत्री होता तो पदग्रहण करने के उपरांत सर्व प्रथम मेरा प्रयास यही होता शासन में फैले भ्रष्टाचार व धूसखोरी को त्वरित गति को समाप्त करना। भ्रष्टाचार एवं रिश्वतखोरी व भाईभतिजावाद को देश से नष्ट करता।

भारत एक गणतंत्र देश है। प्रधानमंत्री का पद यहाँ उत्तरदायित्व व गरिमा का माना जाता है। कोई भी योग्य व्यक्ति जो भारत का नागरिक है, चुनाव में भाग लेकर प्रधानमंत्री बन सकता है। इसके लिए राजनैतिक कार्यो तथा देश विदेश की नीतियों का ज्ञान तथा अनुभव होना बहुत जरूरी है। मेरे लिए प्रधानमंत्री बनना एक स्वप्न सच होने के सामान है। यदि मैं एक दिन के लिए प्रधानमंत्री बन गयी तो मैं अपने देश के विकास व उत्थान के कार्यो में जुट जाऊँगी। सबसे पहले देश को सुरक्षा की दृष्टि से आत्मनिर्भर बनाने के लिए देश में नयी-नयी तकनीक के अस्त्रों-शास्त्रों के निर्माण करवाऊँगी।

देश की शांति को भंग करने वाले अराजक तत्वों और आतंकवादियों को कड़ी से कड़ी सजा दूँगी। स्कूल और कोलेज में पढ़ने वाले हर बच्चों के लिए अधिक से अधिक छात्रवृत्तियों की व्यवस्था करूँगी। स्कूल और कोलेज में खेल कूद को भी शिक्षा का एक हिस्सा बनाया जायेगा मेरा देश भारत महान है। इसे विश्व के अग्रणी देशों की पंक्ति में पहुँचाने का प्रयत्न करूँगी, अगर मैं भारत की प्रधानमंत्री बन गयी।

रिया चेलानी (८ब)

अगर मैं एक दिन के लिए प्रधानमंत्री होती तो सबसे पहले मे सभी को गाँधीजी के बताए रास्तो पर चलने की प्रेरणा देती। मैं हर जगह स्वच्छता अभियान शुरू करावाती और कोशिश करती की सभी लोग इनका पालन करें। सभी लोगो के साथ-साथ मैं भी इनका पालन करती। प्रधानमंत्री बनने के साथ आपके ऊपर कई सारे लोगो की जिम्मेदारी आ जाती है, जिसे मैं पूरी तरह निभाऊँगी। मैं अपने देशके प्रति वफादार रहने की प्रतिज्ञा लूँगी। मैं सभी गरीबो को अच्छी से अच्छी सुविधाए देने का पूर्ण प्रयत्न करूँगी। मैं पूरे देश में काला धन रखने वालो की तरफ सक्त से सक्त कदम उठाऊँगी। मैं हर वह मुमकिन कोशिश करूँगी कि हमारा देश सफलता एवं प्रगति की और बढ़ता रहे।

प्रधानमंत्री बनने से मेरे भीतर किसी भी तरह का धमंड उत्पन्न नहीं होगा | मैं सभी ऊँ लोगो को मौका दूँगी जिनके अन्दर खूबियाँ हैं | मैं हर जगह अस्पताल एवं विद्यालय बनवाऊँगी और सभी नागरिकों को हर तरह से मदद करूँगी |
